

**The Pennsylvania State Council
Of the
International Union of Operating Engineers
License Plate Registration Instructions**

1. Fill out form **MV-904SP (1-18), the Application for Special Plate Registration**. Motorcycle plates are not available.
2. Completely fill out **section A and sign and date section E only**.
3. Follow the instructions included with the form.
4. If you are going to register a **NEW** leased vehicle with the I.U.O.E. plate at the time of purchase **ONLY**, you will also need to completely fill out form **MV-1L Application for Lessee Information**. Again, this form is to be used only if you are purchasing/registering a new leased vehicle in your name.
5. If your current vehicle registration will expire within 3 months from the day that you are applying for the I.U.O.E. plate, you must also re-register your vehicle as you always have.
6. This is in addition to the **\$40 I.U.O.E. plate fee written to the State Council and sent to Local 95.**

Fees:

- **The I.U.O.E. Plate fee is \$40. This check must be written to the “Pennsylvania State Council of the I.U.O.E.” This is a 1 time fee and is in addition to your regular yearly vehicle registration fees.** The fee consists of \$26 to PenDOT, \$6 to Correctional Industries and \$8 for processing. The State Council covered the set up and design fees.
- No registration will be submitted if these instructions are not followed.
- **Regular registration fee must be submitted (#4 above) if your current registration will expire within 3 months of the I.U.O.E. plate order date.** This is due to the approximate 8 to 10 week delivery time of your I.U.O.E. plate and your current registration possibly overlapping during the order process.

Send your completed application and check written out to “Pennsylvania State Council of the IUOE” to:
