Dear Sir & Brother:

We would like to congratulate you on your decision to retire and wish you a long and happy retirement.

Upon retirement, you will have two (2) options to consider in regards to your membership status. You can retain your membership and become an active retiree or obtain a withdrawal card. Each option carries equal honor and distinction. We respectfully ask that you inform our office of your intentions on the enclosed form so that the appropriate measures can be taken.

Whichever option you elect, Local 95 wants you to know that your years' of service are appreciated, and if there is ever anything our Local can do for you or your family, please do not hesitate to contact us. We stand on the strong shoulders of those who came before us and believe our members deserve dignity and respect.
